

SARA PETSKA, OD

PREVIOUS EXPERIENCE

Gretna Vision Source • Gretna, NE

September 2018 - May 2023

Associate optometrist at private practice with advanced technology permitting full-scope comprehensive care. Additional non-optometric duties include billing and coding of all exams, staff/intern training and education related to optometric care, ensuring optical lab quality, and developing marketing strategies for practice growth.

The Eye Specialists of Atchison • Atchison, KS

May 2017 - September 2018

Associate optometrist at ophthalmologist-owned private practice. Additional non-optometric duties include evaluating and analyzing patient satisfaction, leading weekly office meetings, and providing staff training and education related to optometric care.

Moyes Eye Center • Lee's Summit, MO

January 2017 – May 2017

Clinical externship focusing on treatment and management of ocular disease. Concentration on pre- and post-op care, refractive surgery, ocular surface disease, and optic nerve pathology.

Insight Eyecare Specialties • Independence, MO

August 2016 – December 2016

Clinical externship concentrating on primary care and private practice management. Comprehensive eye care with an emphasis on conventional and specialty contact lens fitting.

The Eye Center • Memphis, TN

May 2015 – Aug. 2016

Clinical internship including specialized training in adult primary care, ocular disease, contact lens, pediatrics, and vision therapy. Optical experience including retail sales and production of materials.
